

Preliminary application form questions

Eligibility confirmation

Before starting your application, please confirm that you meet the eligibility criteria below.

1. You are a registered not for profit civil society organisation. CSOs may apply for a grant in partnership with another CSO. All CSOs involved in implementing a Commonwealth Foundation grant must be registered organisations and included as partners in the application. You and, when applicable, partner(s) must be based in a Commonwealth Foundation member country and the project take place in an eligible Commonwealth Foundation member country (Please see Annex 1 to the Guidelines)
2. Your grant application is for £50,000 per year or less
3. You are applying for funding for up-to 4 years
4. Your project has not yet started. Applications must be for a completely new project, or for a new phase of an ongoing project. Grants cannot be used to co-fund projects that are mid-cycle.
5. You do not currently have a grant from the Commonwealth Foundation
6. The average of your total income over the last 2 years is less than £3 million
7. Your project addresses one or both of the Commonwealth Foundation's outcomes (see Guidelines).
8. You will provide the following supporting documents as part of your application:
 - a) Registration certificate for your organisation
 - b) The most recent audited accounts for your organisation (they must include both the accounts and the opinion of the external auditor who has certified them; they should not be more than 2 years old)
 - c) A complete logic model using the Commonwealth Foundation template
 - d) Registration certificate for all partner organisations, if applicable

Do you meet all the eligibility criteria listed above?

Yes

Section A - Applicant organisation details

A.1 Organisation name

If you are a sole applicant or you are the lead organisation, enter your details here. If applicable, add partner(s) details in section C and upload the relevant supporting documentation in section G.

A.2 Address

Address 1

Address 2

City

- Country
- Antigua and Barbuda
 - Bahamas
 - Bangladesh
 - Barbados
 - Brunei
 - Cameroon
 - Guyana
 - India
 - Jamaica
 - Kenya
 - ... 11 additional choices hidden ...
 - Sri Lanka
 - St Lucia
 - Tonga

D.5 Total project budget

Total project budget = total grant requested + counterpart resources (if applicable). State amount in GBP. No spaces/commas. The conversion rate used should be that quoted in XE Currency Converter on the day your application is submitted.

D.6 Total grant requested

State amount in GBP. No spaces/commas. The conversion rate used should be that quoted in XE Currency Converter on the day your application is submitted.

D.7 Grant requested by year

State amount in GBP. No spaces/commas. The conversion rate used should be that quoted in XE Currency Converter on the day your application is submitted.

Year 1

Year 2

Year 3

Year 4

D.8 Counterpart resourcing

Provision of counterpart resources is not mandatory. However, if the project includes counterpart resourcing, you should include it here. Counterpart resourcing could be: funding from another organisation funds from the applicant or partner(s) organisation(s) in-kind resources from applicant, partner organisation(s) (e.g. salaries of staff dedicated to the project) or the local community. For in-kind contributions to be accepted as counterpart resourcing they must: be deemed necessary for the implementation of the project be verifiable, quantifiable and clearly reflected in the project's budget (to be provided at full application stage).

What percentage of counterpart resources will be provided?

Give details of counterpart resources

Maximum 100 words For counterpart resourcing to be considered eligible it must be confirmed resources that are already available or you must provide details of any applications for counterpart resourcing that have been made and are waiting approval. Please state the name(s) of the organisation(s) providing this resources, indicate whether or not they have been received and if not, when do you expect to receive them.

Section E - Project description

E.1 Summary description of the project

Maximum 75 words Please describe the main objectives of your project and how you plan to achieve it.

E2. Project implementation location

Please select one of the following options:

- International
- Regional
- National
- Sub-National

Maximum 100 words

Please list project locations and rationale for selecting locations. If the project will be implemented in multiple locations, please describe how the project activities in different locations are linked.

E.3 Project target group(s)

Maximum 20 words These are the stakeholder groups that you are working with directly to achieve the project short term and intermediate outcomes. You may also include the beneficiaries of the project that you are working with. Please include the number of stakeholders by different type of stakeholder, e.g. 20 members of the health committee in X county of Y country, 750 children with intellectual disabilities in X county of Y country.

E.4 Project final beneficiaries

Maximum 20 words This is the people that ultimately benefit from the change that will be achieved as a result of the project being successful. Please include the number of beneficiaries the project will impact. For example 2000 young people 18 -30 in the x region of y country.

E.5 Commonwealth Foundation's outcome areas

Your project should address one or both of the following outcomes and may include the use of creative expression to achieve project aims. Your project may address both outcomes, but please indicate the outcome your project will contribute to the most. Which outcome area does your project address?

- Stronger civic voices engaging in policy processes to hold government to account
- Public discourse more reflective of less heard voices

How does your project address the selected outcome area?

Maximum 100 words

E.6 Description of the problem

What is the problem or need the project is designed to address?

Maximum 300 words

How does the problem specifically affect women and girls within the project beneficiary groups the project is intending to impact?

Maximum 200 words

How have you identified this problem?

Maximum 200 words Which groups did you consult with to identify the problem? Which groups did you consult with to identify the problem? What methods did you use to consult with the different stakeholder groups? If you used any specific consultation tool, please indicate which.

What research or other resource materials are there that support your identification of the problem?

Maximum 100 words This research may have been undertaken by your organisation or by other organisations and may include government data. Please provide relevant data and statistics, if available, and explain how these support your analysis. Please provide links to resource materials when available.

E7. Project Design and Implementation

How will the project address this problem?

Maximum 300 words

Were the project beneficiaries involved in the project design? If yes, how was this achieved?

Maximum 100 words

Were the women and girls within the project beneficiary groups specifically involved in the project design? If yes, how was this achieved?

Maximum 100 words

Why do you think the time is right for this project to be implemented?

Maximum 150 words

What are the main challenges envisaged in implementing the project and how will they be addressed?

Maximum 200 words

E.8 Project Outcomes

What changes will take place as a result of your project ?

Maximum 300 words

How will these changes specifically impact women and girls that are part of the project's final beneficiaries?

Maximum 200 words

E.9 Why is your organisation (and where relevant your partner(s)), best placed to undertake this project?

Maximum 300 words Please include information on previous work, experience and successes you have had that are relevant to this project. If applicable, partner organisation details should be added in Section C.

E.10 How does this project differ from any current and previous work you have undertaken or are undertaking?

Maximum 200 words

E.11 How will this project complement any existing projects that you are implementing and the work of other organisations?

Maximum 200 words

E.12 Please give a short description of the implementation arrangements and responsibilities in delivering the project of the applicant and each partner organisation(s).

Maximum 300 words

Section F - Referees

F.1 Provide the names of two organisations that we can approach for a reference. One of the referees must be from an organisation from which you have previously received funds to deliver a project. The other referee could be from an organisation for which you have delivered a project or an organisation you have worked in partnership with.

Referee 1

Organisation name

Contact person name

Position/ Job Title

Contact's email

Contact's telephone (no spaces or characters)

Organisation's website

Provide details of project delivered (include name, budget in GBP, duration and project period)

Referee 2

Organisation name

Contact person name

Position/ Job Title

Contact's email

Contact's telephone (no spaces or characters)

Organisation's website

Provide details of project delivered (include name, budget in GBP, duration and project period)

Section G - Supporting Documents

G.1 Applicant supporting documents - please use zip files if you need to upload more than one audited accounts file

Registration certificate

Accepted formats: pdf and jpg. You must provide a copy of the official registration document provided by the relevant authorities in the country concerned.

Audited accounts

Accepted formats: pdf and jpg. Please use zip file if you need to upload more than one file. You must provide a copy of your organisation's most recent audited accounts. It must include both the accounts and the opinion of the external auditor who has certified them.

Logic model

Accepted formats: doc and doxc. You must provide a complete logic model using the Commonwealth Foundation template.

G.2 Partner(s) supporting documents

Partner 1: Registration certificate

Accepted formats: pdf and jpg. You must provide a copy of the official registration document provided by the relevant authorities in the country concerned.

Partner 2: Registration certificate

Accepted formats: pdf and jpg. You must provide a copy of the official registration document provided by the relevant authorities in the country concerned.

Partner 3: Registration certificate

Accepted formats: pdf and jpg. You must provide a copy of the official registration document provided by the relevant authorities in the country concerned.

Partner 4: Registration certificate

Accepted formats: pdf and jpg. You must provide a copy of the official registration document provided by the relevant authorities in the country concerned.

Partner 5: Registration certificate

Accepted formats: pdf and jpg. You must provide a copy of the official registration document provided by the relevant authorities in the country concerned.

Submission

To submit your application after completing the form you must go back to the "Preliminary application" page by clicking the "Save & Exit" button below. You will then be able to submit your application by clicking the "Submit your application" button on that page.
