

Commonwealth Foundation Logic Model

Ultimate outcome	More effective, responsive and accountable governance with civil society participation			
Intermediate Outcome	Enhanced collaboration and learning between CSOs and institutions in governance			
Short Term Outcomes	1	2	3	4
	Strengthened ability of CSOs to use creative expression for participatory governance	Enhanced capacity of regional CSOs and networks/alliances to engage in participatory governance	Enhanced interaction between regional CSOs and networks/alliances and institutions in governance	Enhanced KM for more effective participatory governance
Focus	Strengthen cultural practitioners and connect them with the wider CSO community	Develop CSO capacity for participatory governance specifically in policy development and advocacy	Increase access to, and improve, existing spaces; and create new spaces	Develop mechanisms, and facilitate their adoption
Enabling outcome: a more effective Commonwealth Foundation
